WORK HISTORY

Internship, 07/2020 to 10/2020

Phillips Connect – Jackson, WY/ Irvine, CA

- Assisted in the development of IOT technologies by testing proprietary software used in the commercial shipping industry.
- Found about 50 Bugs during my time with this company, ranging from usability errors to compatibility defects. These issues were then documented, reviewed, and assigned to the development team.

Internship, 06/2017 to 10/2017

Road MDM – Jackson, WY

- Monitored mobile tablets with custom software used in the trucking industry.
- Evaluated custom software and mobile device network connectivity in rural Wyoming.

Editor, 12/2018 to 3/2020

Pizza Press – Fullerton, United States (Permanently closed due to COVID-19)

- Created Customer's order as they listed ingredients and accommodated any special requests
- Kept supplies in sufficient stock by assessing inventory levels and reporting lower stock items.
- Maintain composure and professionalism while working in difficult scenarios

Electronics Team Member, 08/2018 to 11/2018

Target – Fullerton, California

- Optimized safety and productivity by regularly cleaning and organizing work zones.
- Restocked items, unpacked shipments and researched competing products.
- Large focus on customer service and communication

Internship/Receptionist, 06/2016 to 08/2016

Rancho Canyon Music – Rancho Santa Margarita, CA

- Managed incoming telephone calls, transactions, and maintained the outgoing and incoming rental instruments.
